

Rotary Rake

Improved design is ideal for use on rough terrain.

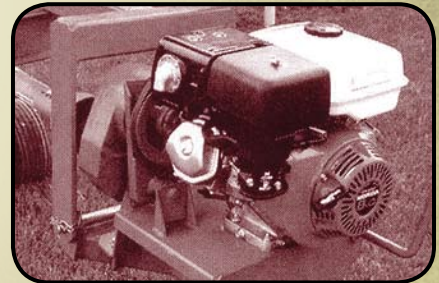

Available in PTO drive (3 Pt. hitch or trailing) or ground drive (trailing). 3 Pt. models fold to a neat 62" w x 105" l, and fit conveniently on the bed of a full-size pick-up truck.

Features:

- Fully enclosed oil bath gearbox
- Tines on all models store on frame
- Forms fluffy windrows without roping
- Turns hay upside down
- Rakes 10' clean

Tandem axle is standard on trailing PTO drive and 3 Pt. hitch.

Optional 8 HP Honda engine installed on trailing PTO.

Shipping weight: Drive and 3 Pt.

- Horse-drawn ground drive: approximately 1047 lbs.
- 3 Pt. PTO Drive: approximately 847 lbs.
- Trailing PTO drive: approximately 947 lbs.

Dimensions (assembled)

- Horse drawn ground drive: 60" w x 88" l x 48" h
- 3 Pt. PTO drive: 60" w x 88" l x 48" h
- Trailing PTO drive: 54" w x 74" l x 36" h
